Self-motivated web developer at the beginning of his path. Looking for junior position to quickly ramp up skills. Learning to code over one year. Mainly focused on Frontend. Always ready for new challenges.

---

## .Profile

Eager Junior Frontend developer with huge motivation to learn new things about absorbing world of web development. Code every day . Ready to take Junior position to supercharge skills in Frontend. Nitpicky about writing reusable, modular code. Great team player, great colleague with high to-do attitude. Willing to grow as Front-end developer.

## .Experience

### **Pubfront**

06.2019 - now

### **Junior Front-End Developer**

Work along with Senior Front-End and Back-End Developers. Helping out with creation of company new product - podcast widget. Some of technologies which I am using at Pubfront: VanillaJS, React, Scss. More info about Pubfront: [www.pubfront.com](http://www.pubfront.com).

### **Previous**

2008 - 2017

### **Former Chef**

Work in kitchens around Europe mostly in fine dining, high level restaurants through bib-gourmand to michelin stars. Taking responsible positions like chef de partie, sous-chef, shift-chef, creative-chef.

## .Skills

**Stack:** HTML | BEM | CSS | SCSS | JavaScript | React | Redux  
NPM | GIT | GULP | Webpack | Responsive Design

**Current main focus:** React | Webpack

**Tools:** VSC | Sublime | Trello | Agile | Sourcetree | GitHub | GitLab | Slack

## .Education

### **Self-taught**

2017 - 2019

### **Bootcamp**

During this time I took part in bootcamp, which took 7 months. More information about bootcamp: [Kodilla](#) and [programme](#) . I started again my Front-End development journey. From the beginning learned HTML, CSS and JS.

### **Hotel Management**

**School**, Poznań, Poland  
2008-2012

Finished with BA thesis: „New Nordic Cuisine”.

**Chemistry**, Univeristy Of  
Wrocław, Poland  
2006-2008

Finished first two years. Stopped because of taking other education.

## **.Other Perks**

Finished four half marathons

Love hiking

Training crossfit
